Mr. Duckett

Agenda for USIB Meetings  
on 24 and 26 October 1967

You will note from the attached Agenda that USIB plans to meet twice next week (Tuesday and Thursday mornings) on NIE 11-8.

From OSI I learned that there are to be approximately 20 footnotes on this estimate and I think you may want to consider having a Pre-pre-USIB sometime Monday morning, with OSI and FMSAC in attendance, to be briefed on the subject.

Dave Brandwein would bring with him [REDACTED], who is thoroughly familiar with what's been going on with regard to this estimate.
